

ON-LINE CONSULTATION

Not only in-person, **On-Line Consultation** is also available on internet for your appointment, consultation and payment. Please note that On-Line Consultation is **only for patients who have already visited our clinic and seen our doctor in person.**

Currently, we have two types of consultation frames:

1. “再診外来 On-line consultation”

For patients who have chronic symptoms: for example, patients with sleep apnea using CPAP etc.

2. “発熱外来 For patients with fever”

For patients who have fever and other acute symptoms. Please call us beforehand, and our doctor will discuss whether your condition is appropriate for this frame or not.

How to apply on-line consultation:

1. Download **CLINICS** from App Store etc.
2. Put your personal information on it.
3. Find **Kumada Clinic** on it.
4. Make an appointment on certain date you prefer.

You need Code or QR Code to make an appointment. Please call our office ([03-5766-3357](tel:03-5766-3357)) to ask our code if you don't have achieved it yet.

5. Sign consent form.

In advance before the first consultation, you need to sign consent form of **additional fee (¥1000/each consultation)**. No charge for application, consent form nor physical mail to send you prescription. Please print out “**Consent form**” (**PDF on What's New**), sign as “**How to sign consent form**” (**PDF on What's New**), and please show it at the beginning of consultation or send fax to our office ([03-5766-3356](tel:03-5766-3356)) beforehand.
